INFORMATION SYSTEMS
SECURITY ACKNOWLEDGMENT AND NONDISCLOSURE AGREEMENT

It is the policy of BHS that information, in all forms, written, spoken, recorded electronically, or printed, will be protected from accidental or intentional unauthorized access, modification, destruction, or disclosure. All computer equipment must be protected from misuse, unauthorized manipulation, and destruction. Protective measures may be physical and/or software oriented.

As an associate of BHS (employee, student, volunteer, physician, or consultant/contractor) I understand and agree to abide by the following:

A. I understand that in the performance of my duties I may come into contact with confidential or sensitive information pertaining to patients, employees, medical staff, medical business enterprise and/or administrative support; information may be contained in written records, documents, ledgers, internal verbal communication and correspondence, computer programs and applications or some other medium. I agree not to disclose any confidential or sensitive information unless release of such information is directly related to and required for the performance of my assigned responsibilities. This nondisclosure agreement is binding during and after my affiliation with BHS.

B. All passwords to information are confidential. Under Mississippi Code 1972; Sec. 97-45-5 (1)(b), it is a computer crime to use another person's password or disclose passwords to another for the purpose of obtaining unauthorized access to computer systems. I will not disclose any passwords(s) I am assigned or create, and I will not write such password(s) or post them where they may be viewed by another. I understand that use of a password not issued specifically to me or to a group of which I am a member is expressly prohibited. I understand that I will be held responsible for all computer activity performed with the use of my password. I understand that transactions I perform using BHS computer systems, including e-mail and access to the Internet, will be recorded and are subject to periodic random audits. If at any time I feel that the security of my access code has been compromised, I will contact the Rescue Line at extension 8888 to reset my password.

E. I understand that access to confidential information is granted only as required to fulfill my job responsibilities. I understand that approved access to confidential information does not authorize the indiscriminate browsing of such information. Access is only authorized for specific and legitimate "need to know" information that is required to accomplish assigned job responsibilities.

F. I understand that patient information should only be released according to BHS policies and that if sent across the Internet information must be encrypted. I agree to follow BHS policies to ensure that such e-mails are encrypted properly.

G. I understand and agree to comply with all policies, standards, and procedures adopted to safeguard information and associated information resources as set forth in the Mississippi Code and BHS policies. Further, I acknowledge that I have received training on and understand the security policies outlined above.

H. I understand that failure to comply with any of the conditions noted herein may result in loss of information system privileges and/or disciplinary action, including possible termination of employment.
