

Baptist Memorial Hospital for Women

6225 Humphreys Blvd.
Memphis, TN 38120

Allison Bosse
Administrator and CEO

As the region's first freestanding women's hospital, we offer comprehensive services and expert care for women as a regional referral center for high-risk pregnancies, mammography, minimally invasive surgeries, outpatient diagnostics and urogynecology. Baptist Women's Hospital is also a member of the Council of Women's and Infants' Specialty Hospitals (CWISH), an organization of non-profit hospitals that are leaders in providing services to women and infants.
